

Big Welsh Rhyme Time

The Big Welsh Rhyme Time is BookTrust Cymru's
Wales-wide celebration of songs and rhymes.

Lliwiau Hudol

If it's raining now
Believe there will be a rainbow

Red is the dragon that waves in the wind
Yellow is the sun that guides us through this
Pink is the colour of my favourite ice cream & milkshake
Green is the grass that gifts us in abundance
Orange is everything autumn, pumpkin filled windows
Purple are the bluebells that fill fairy forests

Rainbows have this beautiful way of reminding us to stay strong
It's their lovely way of saying it's all gonna be ok

If it's raining now
Believe there will be a rainbow
